

ZGODBA O ZELENKU

V našem gozdu živi drevo Zelenko. To je čarobno drevo z zelenimi listi in velikim zelenim srcem. Ima super moči. Zelenko lahko zdravi živali in druga drevesa. Govori, pozdravi in hodi. V naš vrtec nas je prišel poučevati o živalih in drevesih ter gozdu. Zelenko je zelo vesel, ko obiščemo živali in drevesa. Naučil nas bo igre v gozdu. Za Zelenka bomo dobro poskrbeli. Zelenko je naš novi prijatelj.

THE STORY OF THE GREENIE

In the nearest forest there lives a tree Greenie. It is a magic tree with green leaves and a big green heart. It has got superpowers. Greenie can heal animals and other trees. It can talk, heal and walk. It came to our Kindergarten to teach us about animals and trees and forest. Greenie is very happy when we go to visit its friends trees and animals. It will teach us to play in the forest. We will take good care of the Greenie. Greenie is our new friend.
