PRESCHOOL EDUCATION

is intended for children from 11 months of age to 6 years of age, or until compulsory entry into primary school.

Involvement in preschool education programs is not mandatory and is not a condition for enrollment in primary school.

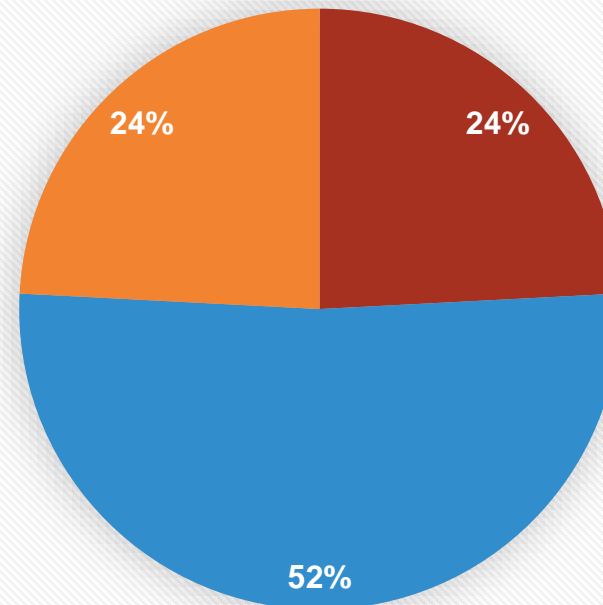

Slovenia has 412 kindergartens :

- 108 independent kindergartens ,
- 207 kindergartens at basic school ,
- 97 private kindergartens.

There are 60 sections for children with special needs in public kindergartens.

83.7% of children are enrolled in kindergarten.

■ Public independent ■ Public kindergarten
■ Private kindergarten

The participation of 4- and 5-year-olds in preschool education is 94.1%.

QUALITY IMPLEMENTATION OF PRE-SCHOOL EDUCATION

is the basic guideline of the educational program in Slovenia

Professional workers in public and private kindergartens with a concession work in accordance with the CURRICULUM FOR KINDERGARTEN - the basic state program document.

PRINCIPLES

GUIDELINES FOR EDUCATIONAL ACTIVITIES

INSTRUCTIONS FOR PERFORMING ACTIVITIES

RESPECT FOR RIGHTS AND DIVERSITY

Depending on the organization and time of implementation, parents can choose between different programs:

- Full – day program (6-9 hours).
- Half – day program (4 – 6 hours): morning, a perfect day or alternately .
- Child care family.
- Shortened program (240 - 600 hours/year): in remote and demographically endangered places.

For children from 11 months until entering school.

- It includes upbringing, care, education, nutrition and rest of children.

For children from the age of 3 until entering school.

- It includes education, upbringing, and can also include children nutrition.

There are children in kindergartens divided into sections according to age:

➤ 1st age period:

From 1 year to 3 years old (€576.00)

Transition from 3 to 4 years old (446, 00 €)

➤ 2nd age period:

From 3 years to 6 years old (418, 00 €)

➤ Combined sections of the 1st and 2nd age periods

From 1 year to 6 years old (439, 00 €)

Parents can enforce reduced payment Kindergarten, according to the income they receive. The most parents belongs to the 5th income department class and for kindergarten they pay 35% of the economic price program.

Kindergartens are free for parents for the second child who attends kindergarten at the same time as an older sibling. Families with three or more children are also exempt from kindergarten fees.

The price of the program is determined by the municipality that founded the kindergarten - the above currently still applies to the municipality of Ljubljana.
